

*More and more people are taking advantage of high quality, low cost dental treatments now available in Budapest.*

## WHY BUDAPEST?

Budapest is one of Europe's oldest and finest city with a rich cultural heritage, a reputation for genuine hospitality, fine cuisine and excellent local wines.

By combining your visit for dental treatment with a short stay in Budapest will enable you to enjoy all that this vibrant city has to offer.

Our resident, English speaking, customer care representatives will be only too pleased to arrange a personalised itinerary for you to see the sites of historical significance, or sample the very best of traditional and international food and drink.

Why not combine your visit with one of the many international events and festivals that take place within the city at various times of year.

## WE ARE CONFIDENT ABOUT EXCEEDING YOUR EXPECTATIONS

*Please read some of the comments our patients have said about us:*

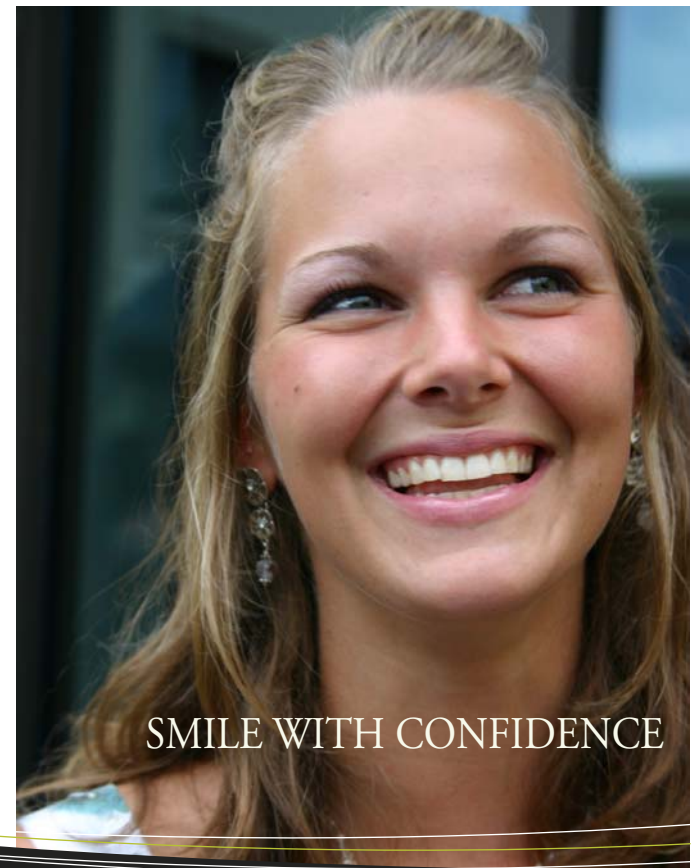

### *Sandra Conroy, Shetland Islands*

*"Nowhere in Britain would I have had that extra personal service, and at cost of around £650 for my teeth it was absolutely wonderful..*

*I have no hesitation encouraging anybody traveling to Budapest for dental treatment to make contact with Budapest Dental Solutions, they will organize everything - you just sit back and enjoy."*

### *Mary Mold, London*

*"the best and most helpful thing was the fact that ... BDS were there for me 24 hours a day, for not only dental cases, but always to find the best way to spend my time there. "*
